

Make the most out of your Microsoft Teams investment

Unified communications (UC) and voice solutions from Windstream Enterprise plus Microsoft Teams provides an enhanced calling and administration experience directly from the Teams app via desktop, tablet or mobile devices.

Integration with Microsoft Teams

Microsoft Teams is one of the most popular collaboration tools for calling, chatting and file sharing. With Windstream Enterprise OfficeSuite UC®, you can utilize Microsoft Teams for advanced telephony capabilities as part of your comprehensive collaboration solution.

Leverage an expanded feature set

Enable support for Teams, as well as IP phones and hardware

Collaborate anytime, anywhere using any device

Reduce expenses

Empower your business

Integrate Windstream Enterprise UC and voice solutions with Teams to achieve the following benefits:

Greater support and more capabilities

Enable global calling, auto-attendants, bulk administration tools, contact center integration and other powerful enterprise UC features—all backed by a team of technology experts.

Your trusted partner

Depend on our expertise to support a complete array of UC and networking solutions, optimizing collaboration and business agility.

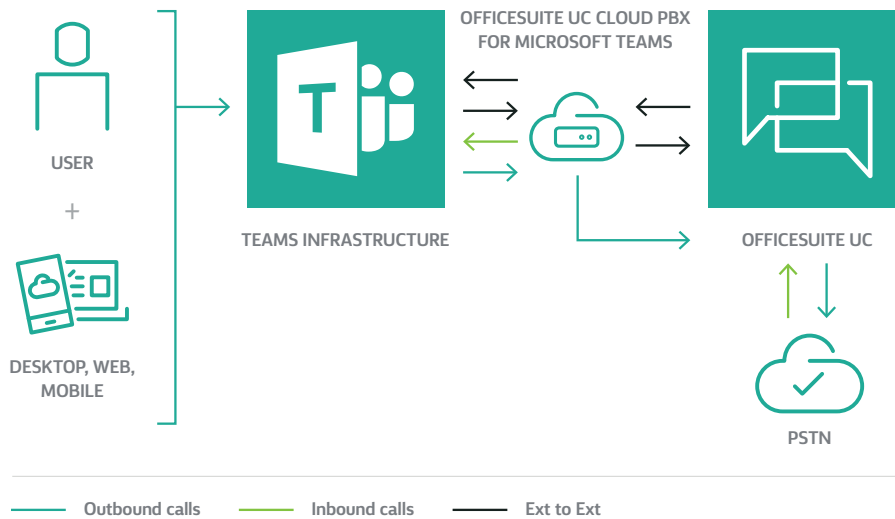

Optimized IT budget

Minimize reliance and expense related to legacy, on-premises hardware, and take advantage of our competitively priced calling plans.

Gartner®

Windstream named in the 2022 Gartner® Magic Quadrant™ for UCaaS for the 4th year in a row

Powerful. Simple. Easy to use.

Solution guarantees you can count on*

*Required services include OfficeSuite UC and SD-WAN Concierge™ for all Windstream Enterprise guarantees.

Why Microsoft Teams Integration with calling from Windstream Enterprise?

Leverage our expertise in solving the most complex collaboration challenges for enterprise and mid-market customers. We can help you incorporate our calling services with the reliability of SD-WAN and Security Service Edge (SSE), a fully managed networking and security solution.

Gartner® Magic Quadrant™ for Unified Communications as a Service, Worldwide, Rafael Benitez, Megan Fernandez, Christopher Trueman, Pankil Sheth, November 28, 2022.
