

Get up to 5 months free of connectivity + security

The network you need and the protection you can't do without

Special offer

Connect with your Windstream Enterprise representative on how to qualify for up to 5 months free of SD-WAN, Security Service Edge (SSE) or Secure Access Service Edge (SASE)*.

SD-WAN: Optimize and transform your network

SD-WAN offers a resilient, high-capacity, application-aware managed network solution that maximizes uptime.

SSE: Instant security. Seamless network integration.

Cloud-native SSE enables you to instantly integrate next-generation security components into existing network environments without disruption.

SASE: Integrated network and security. Managed your way.

SASE elevates network performance and security, while simplifying overall management via a single pane of glass portal. Leverage the power and flexibility of an SD-WAN network backbone with unified security.

* Number of potential free months of SD-WAN, SSE or SASE available determined by length of contract term. Subject to exclusions and the terms and conditions of your Windstream Enterprise agreement. Promotional credits apply to your monthly recurring charges only for services covered by this offer. Applicable taxes, surcharges, fees and assessments are excluded, and you will be responsible for payment of such charges and fees.
